PALESTINE REFUGEE PROBLEM:

Ability of Arab Countries to Finance Refugee Resettlement Program.

This paper was prepared by the Division of Investment and Economic Development of the Office of Financial and Development Policy of the Department of State. It comprises an analysis of the principle limitations on bank loans to the Arab states, together with a brief survey of Near Eastern development projects which might be presented for consideration by the International Bank or the Export-Import Bank. This paper does not constitute an endorsement by the Department of State of any of the specific projects indicated herein.
